Hi Valerie,

Great! The audience is internal to EPA (so no clearance needed) but it will include folks from OW and the Regions, as well as the SSWR NPD office and MIs, plus PLs and interested PLs. There's usually 60-100 folks in attendance.

The slides will be due to Carol Sugg, Joe Williams and me by the Thursday before the presentation (so March 29th). You'll get a message from Carol in the next week or so.

I will be introducing you so if you can send me a short bio in late March, that would be very helpful.

Ann

Hi Ann, yes. Please let me know when you want the slides and remind me who the audience is?

Thanks,
Valerie

Hi Valerie,

Just checking-are you still good to go for the April 2nd presentation to SSWR? I know its early, but we usually get asked the status a month ahead of time.

Thanks,
Ann
